I can hardly believe that September is upon us. This is a wonderful month but it is also a month of changes. The weather will be changing, it is still hot, but the cooler weather is on the way and the leaves will begin to change in the next few months. There will also be some changes in our church. Just as sure as summer will change into fall there will always be changes that occur around us. Let's dedicate our hearts to growth and keeping within the will of God and ask Him to open our own lives to new challenges and opportunities. In the Christian faith we are all about change, change of hearts and lives.

The changes in our lives sometimes come quickly and unexpectedly. The 16-year anniversary of the September 11th tragedy reminds us of that. It is of vital importance that we trust in the love of a Savior that has given His very best to save us. This fall will bring our Revival services, Homecoming, Grandparents Day, and other wonderful programs. We will be very busy, but I know we will enjoy these meetings so let's see what God can do with each of us. We need your support in paying off the loan the church agreed to take on, we are very close so do all you can to get this debt off our church. We will not meet our obligations if we all think someone else is going to give.

We also will be starting up Team Kid program again and getting back into the fall routine. Our youth program is also changing, as I write this we are getting closer to hiring a Youth Pastor and we need to be in prayer for the youth of our church. We have had some wonderful lay people step up and help but with new leadership will come new opportunities. We also want to thank the Lord for our new members who have joined the fellowship of our church in the last few months. My prayer for our church is that we will continue to move forward embracing the changes that are necessary and growing in our faith with each new challenge that comes our way.

In His Service,
Phillip Boykin, Pastor
Remember, II Corinthians 5:17
